My contact with your company has been Ksenya Absalyamova, I have been very pleased with how she handled finding an apartment for me in St. Petersburg and all the contract issues with the landlord. She speaks excellent English, is very knowledgeable about the apartment renting process and is always friendly and very eager to help. I will definitely recommend her to any of my colleagues or friends looking to stay in St. Petersburg long or short term.

Mikko Marttala,
CFO
